

## HOW TO GET TO LOGAN HILL

From Ithaca, take Route 96B south towards Danby and drive approximately 18 miles to Candor. Public parking at the preserve is limited as Logan Hill Road is a minimally maintained seasonal road, but you are welcome to park in the public parking area next to Candor High School. Visitors will then need to cross Main Street and walk up Water Street. Once past the village's water tower driveway, continue heading up Logan Hill Road for approximately 0.5 miles to the trailhead on the right. Look for yellow paint blazes.

To conserve forever the lands and waters of the Finger Lakes region, ensuring scenic vistas, local foods, clean waters, and wild places for everyone.

The Finger Lakes Land Trust is a nonprofit conservation organization that works across a 12-county region in Central New York. We have cooperated with landowners and partners to permanently protect nearly 20,000 acres of treasured natural areas and scenic farmlands. The Land Trust owns and manages more than 35 conservation areas that are open to the public for quiet recreation. We hold over 120 easements on protected lands that remain in private ownership. FLLT is supported by members, and you can help us save more land.

## LOGAN HILL NATURE PRESERVE

CANDOR, NY

### MAP & GUIDE

**CONSERVED FOREVER  
OPEN TO ALL**

**FLLT.ORG/LOGAN**

 **Acreage:** 285 acres

 **County:** Tioga

 **Trails:** 2.5 miles

Logan Hill Nature Preserve, bordering Catatonk Creek and the village of Candor, offers miles of hiking trails with stunning views of meadows, ponds, forests, and hillsides of the Southern Tier.

## NATURAL HISTORY

Visitors can venture through young and old forests, grassland and meadow habitat, and an elevated wetland that hosts southern species such as tupelo and cucumber magnolia trees. Open fields host nesting Bobolinks; shrubby, successional areas provide a home to Prairie Warblers and Woodcock; and, dozens of man-made vernal pools provide excellent breeding grounds for wood frogs, salamanders, and other amphibians.

## HISTORY

Betsy and Dick Darlington bought 300 acres of land atop Logan Hill in 1972, and generously donated 285 acres to the Land Trust in 2015. The remaining 15 acres are privately owned and are protected through a conservation easement. Please stay within the preserve boundaries.

### ACTIVITIES

Hiking & Running  
Cross-Country Skiing  
Snowshoeing  
Birdwatching

### DOGS

Keep your dog leashed and under control at all times

### HOURS

Open dawn to dusk all year

### POLICIES
