

Four ways you can engage with the Finger Lakes Land Trust:
Become a member, leave your legacy, volunteer, and explore nature!

BECOME A MEMBER

Help us save more land and water by joining the Finger Lakes Land Trust

FLLT.ORG/JOIN

LEAVE YOUR LEGACY

Save land for future generations by building charitable gifts into your estate plan

FLLT.ORG/LEGACY

VOLUNTEER HERE

Join our devoted corps of volunteers to clear trails, hold events, and more

FLLT.ORG/VOL

EXPLORE NATURE

Discover over 35 public nature preserves across the 12-county Finger Lakes region

FLLT.ORG/MAP

To conserve forever the lands and waters of the Finger Lakes region, ensuring scenic vistas, local foods, clean waters, and wild places for everyone.

The Finger Lakes Land Trust is a nonprofit conservation organization working across a 12-county region in Central New York. We have worked cooperatively with landowners and partners to permanently protect over 21,000 acres of treasured natural areas and scenic farmlands. The Land Trust owns and manages more than 35 conservation areas that are open to the public for quiet recreation. We hold over 135 easements on protected lands that remain in private ownership. FLLT is supported by members. You can help us save more land and water.

When you join the Finger Lakes Land Trust, your gift goes to work right here at home. You are helping to open new nature preserves, create new trails, and save wetlands, gorges, farms, and forests forever.

CONSERVED FOREVER

The Finger Lakes Land Trust (FLLT) is committed to conserving land in perpetuity – beyond our lifetimes and for the benefit of future generations. We create nature preserves and conservation areas that are open to the community. Special places like Grimes Glen County Park in Ontario County, the Lick Brook gorge preserves in Tompkins County, and Carpenter Falls near Skaneateles Lake.

The Land Trust upholds conservation easements on land that remains in private ownership. Conservation easements are voluntary legal agreements that permanently protect land by limiting future development. By using this flexible tool, the Land Trust has conserved thousands of acres of farmland and land that provides habitat for wide-ranging animals such as black bear and bobcats.

PROTECTING LANDS AND WATERS

Our work results in the conservation of our most cherished undeveloped landscapes – scenic farms, rugged gorges, majestic forests, and pristine shorelines. By conserving lands that are vital to water quality, we also help protect our drinking water and the future of the 11 lakes that are the heart of our region. The Land Trust has protected shoreline on Otisco, Skaneateles, Owasco, Cayuga, Seneca, Keuka, and Canandaigua Lakes. We have also secured lands that buffer over 127 miles of stream bank and helped protect over 9 miles of the Finger Lakes Trail.

MEMBERSHIP BENEFITS

The primary benefit: You become part of the conservation solution! Your membership gift helps us to buy land for protection, place conservation easements on private lands, and care for more than 21,000 protected acres.

Members receive our quarterly print newsletter, *The Land Steward*, bringing you the latest conservation successes and upcoming projects. You will also receive invitations to educational events, celebrations, and guided outdoor field trips. Join us!
