region, ensuring scenic vistas,
local foods, clean waters, and
wild places for everyone.

The Finger Lakes Land Trust is a nonprofit conservation organization working across a 12-county region in Central New York. We have worked cooperatively with landowners and partners to permanently protect over 27,000 acres of treasured natural areas and scenic farmlands. The Land Trust owns and manages more than 45 conservation areas that are open to the public for quiet recreation. We hold over 150 easements on protected lands that remain in private ownership. FLLT is supported by members, and you can help us save more land.

Acreage: 2.5 acres

County: Yates

Trails: 0.1 miles

Come by car or by boat to explore a cove beach protecting 390 feet of pristine Canandaigua Lake shoreline.

NATURAL HISTORY

Wander down the grassy trail to a wooden stairway leading to the shore from the south shoulder of East Lake Road, or pull up a canoe or kayak from the lake. Watch for shorebirds, skip stones, or take in the sunset on a warm summer evening.

HISTORY

The Finger Lakes Land Trust acquired the property in 2013 as part of its ongoing efforts to protect undeveloped shoreline across the Finger Lakes region. The preserve was originally part of a larger land acquisition, and the Land Trust worked with the New York State Department of Environmental Conservation to add 66 acres across East Lake Road to the adjacent Bare Hill Unique Area — adding protection to a scenic landmark that rises more than 800 feet above Canandaigua Lake.
