region, ensuring scenic vistas,
local foods, clean water, and
wild places for everyone.

The Finger Lakes Land Trust (FLLT) is a nonprofit conservation organization working across 12 counties in Central New York. Since 1989, we have worked cooperatively with landowners and partners to protect some of the most treasured natural areas and open spaces in these vital watersheds. FLLT manages dozens of conservation areas that are free and open to the public for quiet recreation year-round. We also hold easements on protected lands that remain in private ownership. FLLT is supported by members, and you can help us do more!

 **Acreage:** 2.5 acres

 **County:** Yates

 **Trails:** 0.1 miles

Come by car or by boat to explore a cove beach protecting 390 feet of pristine Canandaigua Lake shoreline.

NATURAL HISTORY

Wander down the grassy trail to a wooden stairway leading to the shore from the south shoulder of East Lake Road, or pull up a canoe or kayak from the lake. Watch for shorebirds, skip stones, or take in the sunset on a warm summer evening.

HISTORY

The Finger Lakes Land Trust acquired the property in 2013 as part of its ongoing efforts to protect undeveloped shoreline across the Finger Lakes region. The preserve was originally part of a larger land acquisition, and the Land Trust worked with the New York State Department of Environmental Conservation to add 66 acres across East Lake Road to the adjacent Bare Hill Unique Area — adding protection to a scenic landmark that rises more than 800 feet above Canandaigua Lake.
