To conserve forever the lands
and waters of the Finger Lakes
region, ensuring scenic vistas,
local foods, clean water, and
wild places for everyone.

The Finger Lakes Land Trust (FLLT) is a nonprofit conservation organization working across 12 counties in Central New York. Since 1989, we have worked cooperatively with landowners and partners to protect some of the most treasured natural areas and open spaces in these vital watersheds. FLLT manages dozens of conservation areas that are free and open to the public for quiet recreation year-round. We also hold easements on protected lands that remain in private ownership. FLLT is supported by members, and you can help us do more!

KASHONG CONSERVATION AREA

GENEVA, NY

MAP & GUIDE

**CONSERVED FOREVER
OPEN TO ALL**

FLLT.ORG/KASHONG

Acreage: 84 acres

County: Ontario

Trails: 2.75 miles

This preserve overlooks Seneca Lake and features a mix of hardwood forest, brush land, and open fields, as well as a tributary to the lake.

NATURAL HISTORY

Farmed until the early 1990s, the Kashong Conservation Area comprises a network of fields in various stages of reforestation. There is a deep gully fed by a seasonal creek and natural springs running through the property down to Seneca Lake. The higher elevations provide fine views of the lake. A series of trails have been created on the property perfect for hiking, running, bird watching, and skiing.

HISTORY

The acres which form Kashong Conservation Area were owned and managed by Polly Spedding and her husband for over 50 years. Polly and her children worked with FLLT to donate the land to the town of Geneva in 2008 to promote education and quiet recreation. FLLT holds and monitors legal restrictions on the property that require the land be managed solely as a public conservation area.

ACTIVITIES

Hiking & Running
Cross-Country Skiing
Snowshoeing
Birdwatching
