To conserve forever the lands
and waters of the Finger Lakes
region, ensuring scenic vistas,
local foods, clean waters, and
wild places for everyone.

The Finger Lakes Land Trust is a nonprofit conservation organization working across a 12-county region in Central New York. We have worked cooperatively with landowners and partners to permanently protect over 21,000 acres of treasured natural areas and scenic farmlands. The Land Trust owns and manages more than 35 conservation areas that are open to the public for quiet recreation. We hold over 130 easements on protected lands that remain in private ownership. FLLT is supported by members, and you can help us save more land.

 Acreage: 276 acres

 County: Onondaga

 Trails: 3.2 miles

The Hinchcliff Family Preserve peers over the shore of Skaneateles Lake, offering impressive vistas, diverse habitats, and a new trail that connects to the neighboring High Vista preserve.

NATURAL HISTORY

The preserve features a 1.4-mile trail loop passing through hardwood forest with streams, gullies, and waterfalls, and grassy clearings that provide bird habitat and open views. Hikers will pass an old dairy barn foundation and grand stone fireplace from the historic Wickwire family cottage. An upper corridor of the preserve connects to Ripley Hill Nature Preserve, and, as of 2021, the preserve connects to the Land Trust's High Vista Preserve which neighbors to the south.

HISTORY

Protected by the Finger Lakes Land Trust in 2013, the property was formerly part of a farm operated by the Burns family. The purchase was made possible through broad support from the community and a generous leadership gift from the Hinchcliff family.
