region, ensuring scenic vistas,
local foods, clean water, and
wild places for everyone.

The Finger Lakes Land Trust (FLLT) is a nonprofit conservation organization working across 12 counties in Central New York. Since 1989, we have worked cooperatively with landowners and partners to protect some of the most treasured natural areas and open spaces in these vital watersheds. FLLT manages dozens of conservation areas that are free and open to the public for quiet recreation year-round. We also hold easements on protected lands that remain in private ownership. FLLT is supported by members, and you can help us do more!

HOUGHTON LAND PRESERVE

CORNING, NY

MAP & GUIDE

**CONSERVED FOREVER
OPEN TO ALL**

FLLT.ORG/HOUGHTON

Acreage: 194 acres

County: Steuben

Trails: 2.0 miles

On a hilltop minutes from downtown Corning, the Houghton Land Preserve offers hardwood forests and open fields with easily accessed hiking trails for quiet recreation and nature education.

NATURAL HISTORY

Much of the woods are dominated by towering oaks and hickories interspersed with birch, maple, and pine. Open hillside meadows contrast with precipitous drops through hemlocks. Varied habitats make the property an excellent location for outdoor education and wildlife observation. Listen for Bobolinks in the meadows and spot porcupines and Yellow-billed Cuckoos above in the forest canopy.

HISTORY

The preserve is a gift from Jamie and Maisie Houghton, who gave their property to the Finger Lakes Land Trust for a new nature preserve. Jamie is retired Chairman of Corning, Inc., the company founded by his great-great grandfather in 1851. By donating their family land, the Houghtons are continuing their deep commitment to the Corning community.
